

## Check List

*To be checked by the Healthcare workers  
 At Take-Off Site*

Unique Identification Number: 

|  |  |  |  |  |  |
|--|--|--|--|--|--|
|  |  |  |  |  |  |
|--|--|--|--|--|--|

|   |     |    |
|---|-----|----|
| VCB is in good condition (Not damaged/Free of water)  | Yes | No |
| Gel/Ice packs are not damaged and in good condition   | Yes | No |
| Gel/Ice packs are priorly freezed in the Deep Freezer | Yes | No |
| Vaccines were properly stored before packing          | Yes | No |
| Vaccines vials are in good condition                  | Yes | No |
| Vaccines are not crossed their expire data            | Yes | No |
| Vaccine is clear in state as per the guidelines       | Yes | No |
| Vaccine vials are packed in the Polythene cover       | Yes | No |
| Temperature Logger packed in the Polythene cover      | Yes | No |
| Temperature Logger has been placed inside of the VCB  | Yes | No |
| Sufficient Gel/Ice packs placed inside of the VCB     | Yes | No |
| Vaccine vials are placed inside of the VCB            | Yes | No |
| VCB is properly sealed                                | Yes | No |
| The weight of the VCB is noted                        | Yes | No |
| Data Form and Undertaking Form signed                 | Yes | No |

## Check List

*To be checked by the Drone Operator  
At Take-Off Site*

Unique Identification Number: 

|  |  |  |  |  |  |
|--|--|--|--|--|--|
|  |  |  |  |  |  |
|--|--|--|--|--|--|

|   |     |    |
|---|-----|----|
| Any visible damage in the drone before flight       | Yes | No |
| Pre-flight check as per ATC/DGCA/AAI                | Yes | No |
| GPS connectivity is working                         | Yes | No |
| Return to home function activated/calibrated        | Yes | No |
| Batteries are appropriately charged                 | Yes | No |
| Flight path mapping done                            | Yes | No |
| Adequate weather for flight                         | Yes | No |
| Confirmation from the Healthcare worker for VCB     | Yes | No |
| VCB is placed inside of the drone chamber           | Yes | No |
| Necessary documents are kept as per DGCA/ATC        | Yes | No |
| Drone chamber is properly closed                    | Yes | No |
| Position drone for launch properly at take-off site | Yes | No |
| Ready for Take-Off                                  | Yes | No |
| Data Form and Undertaking Form signed               | Yes | No |
| Informed the drone in-charge in the Landing site    | Yes | No |

## Check List

*To be checked by the Drone Operator  
At Landing Site*

Unique Identification Number: 

|  |  |  |  |  |  |
|--|--|--|--|--|--|
|  |  |  |  |  |  |
|--|--|--|--|--|--|

|   |     |    |
|---|-----|----|
| Any visible damage in the drone after flight        | Yes | No |
| Drone reached the landing site as per the schedule  | Yes | No |
| Landed in the appropriate site                      | Yes | No |
| VCB given to the Healthcare worker                  | Yes | No |
| Batteries need to be charged before return          | Yes | No |
| Flight path mapping done for return                 | Yes | No |
| Adequate weather for flight                         | Yes | No |
| Communicated to the landing site                    | Yes | No |
| Necessary documents are kept as per DGCA/ATC        | Yes | No |
| Drone chamber is properly closed                    | Yes | No |
| Position drone for launch properly at take-off site | Yes | No |
| Ready for Take-Off                                  | Yes | No |
| Data Form and Undertaking Form signed               | Yes | No |

## **Check List**

*To be checked by the Drone Operator  
At Landing Site*

Unique Identification Number:

|  |  |  |  |  |  |
|--|--|--|--|--|--|
|  |  |  |  |  |  |
|--|--|--|--|--|--|

VCB is in good condition (Not damaged/Free of water)

|     |    |
|-----|----|
| Yes | No |
|-----|----|

Gel/Ice packs are not damaged and in good condition

|     |    |
|-----|----|
| Yes | No |
|-----|----|

Vaccines vials are in good condition

|     |    |
|-----|----|
| Yes | No |
|-----|----|

Vaccines vials are matches with the take-off site

|     |    |
|-----|----|
| Yes | No |
|-----|----|

Vaccine is clear in state as per the guidelines

|     |    |
|-----|----|
| Yes | No |
|-----|----|

Temperature Logger is on inside the VCB

|     |    |
|-----|----|
| Yes | No |
|-----|----|

Data Form and Undertaking Form signed

|     |    |
|-----|----|
| Yes | No |
|-----|----|

Temperature logger given to Drone team

|     |    |
|-----|----|
| Yes | No |
|-----|----|
